**City Manager's Message**

This spring, the City Council, in an ongoing effort to improve the quality of life for the residents of Rancho Santa Margarita and their beloved pets, have taken steps to enhance several facets of our animal services programs. We'll be transitioning from our current animal care and control services with the county to a partnership with our

neighbors in Mission Viejo. As we near the end of the calendar year, you'll be apprised of the details and amenities that will be offered as we make these changes that will increase opportunities for volunteering, enable easier and more convenient access to the facility and improve the level of service to the community.

I am pleased to report that the City's Finance Department has once again earned the prestigious Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for its 2015 comprehensive annual financial report, also known as the CAFR. Judged by an impartial panel, the CAFR is required to meet several criteria, including demonstrating a constructive "spirit of full disclosure." This is the City's 15th consecutive award since incorporating in 2000. The CAFR can be found in its entirety on our website; it is a readable document that truly communicates what GFOA calls the City's "financial story."

Finally, I hope you enjoy the many events offered this month throughout the community.  
Sincerely,  
Jennifer M. Cervantez
