Public Works Recycle From Home!

Recycle From Home™ picks up and pays residents for their recyclable cans and bottles! Inspired by 13-year-old recycling superstar Ryan Hickman, this program makes it incredibly easy for Rancho Santa Margarita residents to recycle right from their driveway or doorstep! No more loading up the car with boxes or bags of cans and bottles in search of a redemption center. Collection bags and QR code tracking labels are provided to sort your CA CRV aluminum cans, plastic, and glass bottles.

Recycle From Home schedules drivers to collect your recyclables at your chosen time, ensuring that your items are recycled within 24 hours of your pick-up time. Your recycled items are weighed, and redemption is calculated based on current CA CRV rates. Your payment is then sent to you through Paypal, Venmo, or as a mailed check.

Schedule a pick-up online, put your items out for collection, and Recycle From Home™ will handle the rest.

For more information or to register, visit www.RecycleFromHome.com or download the Recycle From Home mobile app.

Public Works - Waste Management Organic Waste Bins available for RSM Residents

The City has a limited number of complimentary small kitchen bins available for pickup at City Hall during regular business hours. The pails, purchased with CalRecycle grant funds, are designed to assist residents in minimizing waste that goes into landfills.

Residents can stop by City Hall and pick up a free countertop organic waste pail to separate organic waste (such as food waste) from other trash and non-organic recyclables under the Organics Collection Program mandated by the State of California's SB 1383.

SB 1383 was signed into law in September 2016 by Governor Brown. It established methane emissions reduction targets statewide to reduce emissions of short-lived climate pollutants in various sectors of California's economy. SB 1383 also establishes targets to achieve a 75% reduction in statewide disposal of organic waste by 2025.

Please call Public Works for more information at (949) 635-1800.

Wildfires are unpredictable. Strong winds can change a fire's direction and strength

instantly, making it impossible for law enforcement to carry out evacuation orders or make door-to-door announcements.

Public safety and City officials will send official evacuation notifications and information during an emergency through AlertOC. Please ensure you and your loved ones are registered to receive critical information via text, email, or telephone.

Residents in neighborhoods near high-risk fire areas are encouraged to be ready for wildfires by practicing fire safety. Ready, Set, Go! gives you the tools to protect yourself, your family, and your property from wildfires. Firefighters train hard to prepare for wildfires—residents must do the same!
