## Public Works Recycle From Home!

Recycle From Home™ picks up and pays residents for their recyclable cans and bottles! Inspired by 13-year-old recycling superstar Ryan Hickman, this program makes it incredibly easy for Rancho Santa Margarita residents to recycle right from their driveway or doorstep! No more loading up the car with boxes or bags of cans and bottles in search of a redemption center. Collection bags and QR code tracking labels are provided to sort your CA CRV aluminum cans, plastic, and glass bottles.

Recycle From Home schedules drivers to collect your recyclables at your chosen time, ensuring that your items are recycled within 24 hours of your pick-up time. Your recycled items are weighed, and redemption is calculated based on current CA CRV rates. Your payment is then sent to you through Paypal, Venmo, or as a mailed check.

Schedule a pick-up online, put your items out for collection, and Recycle From Home™ will handle the rest.

**For more information or to register, visit [www.RecycleFromHome.com](http://www.RecycleFromHome.com) or download the Recycle From Home mobile app.**

## Public Works - Waste Management Organic Waste Bins available for RSM Residents

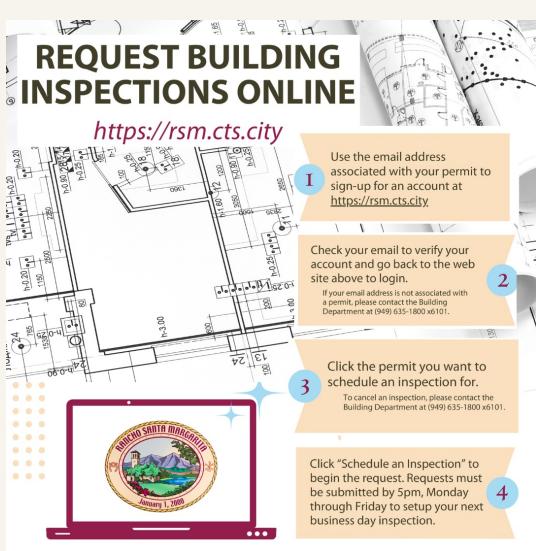

The City has a limited number of complimentary small kitchen bins available for pickup at City Hall during regular business hours. The pails, purchased with CalRecycle grant funds, are designed to assist residents in minimizing waste that goes into landfills.

Residents can stop by City Hall and pick up a free countertop organic waste pail to separate organic waste (such as food waste) from other trash and non-organic recyclables under the Organics Collection Program mandated by the State of California's SB 1383.

SB 1383 was signed into law in September 2016 by Governor Brown. It established methane emissions reduction targets statewide to reduce emissions of short-lived climate pollutants in various sectors of California's economy. SB 1383 also establishes targets to achieve a 75% reduction in statewide disposal of organic waste by 2025.

**Please call Public Works for more information at (949) 635-1800.**

## Development Services Online Inspection Requests

Recent upgrades to the City's permit processing system now include an online customer portal for plan submittals and inspection requests.

We are currently accepting solar project applications online and will soon expand the program to accept all types of building permit applications.

**Online inspection requests are currently available for all project types [here](#).**

## Animal Services News and Events

All dogs over the age of four (4) months in the City of Rancho Santa Margarita are required to have and wear a current license tag. Cat licenses are recommended but not required by law. If your pet is lost, its license and proof of rabies vaccination could be vital in ensuring a safe return home.

## Emergency Management Know your Evacuation Zone

Wildfires are unpredictable. Strong winds can change a fire's direction and strength

instantly, making it impossible for law enforcement to carry out evacuation orders or make door-to-door announcements.

Public safety and City officials will send official evacuation notifications and information during an emergency through AlertOC. Please ensure you and your loved ones are registered to receive critical information via text, email, or telephone.

Residents in neighborhoods near high-risk fire areas are encouraged to be ready for wildfires by practicing fire safety. Ready, Set, Go! gives you the tools to protect yourself, your family, and your property from wildfires. Firefighters train hard to prepare for wildfires—residents must do the same!

For more information on preparing for wildfires, visit the Orange County Fire Authority's Ready, Set, Go! Safety program at [ocfa.org](http://ocfa.org).

### Orange County Fire Authority Swim Season is Here!

Even good swimmers can drown. In California, there are approximately 400 drowning deaths and over 1,000 hospitalizations due to non-fatal drowning incidents every year. Adults over the age of 50 and children under the age of 5 are the highest risk groups in Orange County. [There are steps you can take to prevent drowning](#), including never swimming alone and following the tips in OCFA's [ABCs of Water Safety flyer](#).

- Install and maintain multiple barriers, including fences, gates, doors, alarms, and safety covers around the pool and spa to isolate swimming areas.
- Use self-closing, self-latching gates that open outward and away from the pool.
- Remove items, such as chairs or tables, that a child could use to climb over a pool fence.
- Always keep a phone nearby to call 9-1-1.
