

# October 2025

## City Manager's Message

As autumn arrives in Rancho Santa Margarita, our community calendar is filled with opportunities to come together, give back, and celebrate. We kick off the month with the Rancho Family Fest on October 3rd & 4th, a tradition filled with live music, food, and fun for the whole family at Central Park. On October 11, residents can join forces at SAMLARC's "Restore the Shore" volunteer event to keep our lakeshore clean and beautiful. Later that morning, they can safely dispose of unwanted electronics and sensitive documents at our City-sponsored E-Waste & Document Shredding event. These activities highlight the spirit of connection, stewardship, and service that make Rancho Santa Margarita such a special place.

Sincerely,  
Jennifer Cervantez

Below the orange box, there are logos for "CANYON WILDLIFE INITIATIVE" (a wolf standing on a rock) and "SAMLARC" (a mountain with the text "Connecting the Community" and "Santa Margarita Lake and River Watershed Corporation"). To the right of these logos, there are three circular icons with the text "Circle Up", "Spread the Word", and "Work Together" underneath them. ## HALLOWEEN SAFETY ★ TIPS FROM RSM POLICE SERVICES

**Visibility is Key:** Make sure your child's costume is visible, especially after dark. Adding reflective tape to their costumes and bags can help them stand out to drivers. Glow sticks or flashlights are also great tools for visibility.

**Stick to Well-Lit Areas:** When trick-or-treating, encourage children to stay on well-lit streets and avoid cutting through alley or dark yards. Parents or guardians should accompany younger children, and older kids should go out in groups. If you're not with them, make sure they have a designated route and a way to stay in contact.

**Cross Streets Safely:** Halloween is a busy night for pedestrian traffic, so remind children to cross streets at corners or crosswalks. Always stop, look both ways, and make eye contact with drivers before stepping off the curb. Avoid running across streets or in between parked cars, where it's harder for drivers to see you.

**Inspect Candy Before Eating:** Parents and guardians should always inspect candy before children start digging in. Discard any unwrapped or suspicious-looking items. Stick to homes where you know and trust the residents, and encourage kids to wait until they're home to eat their treats.

**Safe Driving Practices for Parents:** If you're driving on Halloween night, remember that the streets will be busier than usual. Drive slowly, especially in residential areas, and be on high alert for children who may dart out unexpectedly. Enter and exit driveways carefully.

**Stranger Safety:** Teach children to never enter a stranger's home or car, even if invited. It's important to stick to homes participating in trick-or-treating by leaving their porch light on, and to remind kids to never go off with someone they don't know.

## Public Works Recycle From Home™ – Get Paid to Recycle!

Rancho Santa Margarita residents can now recycle cans and bottles without leaving home, thanks to Recycle From Home™—a program inspired by 13-year-old recycling advocate Ryan Hickman.

Here's how it works:

□ Collection bags and QR code labels are provided to sort your CA CRV aluminum cans, plastic, and glass bottles.

□ Schedule a pick-up at your convenience. A driver will collect your recyclables right from your driveway or doorstep.

□ Items are weighed, and your redemption value is calculated based on current CA CRV rates.

□ Payment is sent to you via PayPal, Venmo, or mailed check—typically within 24 hours of pickup.

No more trips to redemption centers—just schedule, set your items out, and let Recycle From Home™ do the rest!

For more information or to register, visit [www.RecycleFromHome.com](http://www.RecycleFromHome.com) or download the Recycle From Home mobile app.

## Public Works Residential Street Sweeping Now Twice a Month (October–April)

As autumn leaves begin to fall, the City of Rancho Santa Margarita is increasing street sweeping services to address the seasonal buildup of debris. **From October through April, residential streets will be swept twice per month.**

Service maps and annual calendars are available on the City's [website](#) to help residents stay informed about scheduled days.

To ensure effective service, please remove all items from the street—including vehicles, basketball hoops, trash cans, and toys.

Street sweeping not only keeps our community safe and beautiful but also protects local water quality by preventing contaminants from entering storm drains.

Thank you for doing your part to keep Rancho Santa Margarita clean!

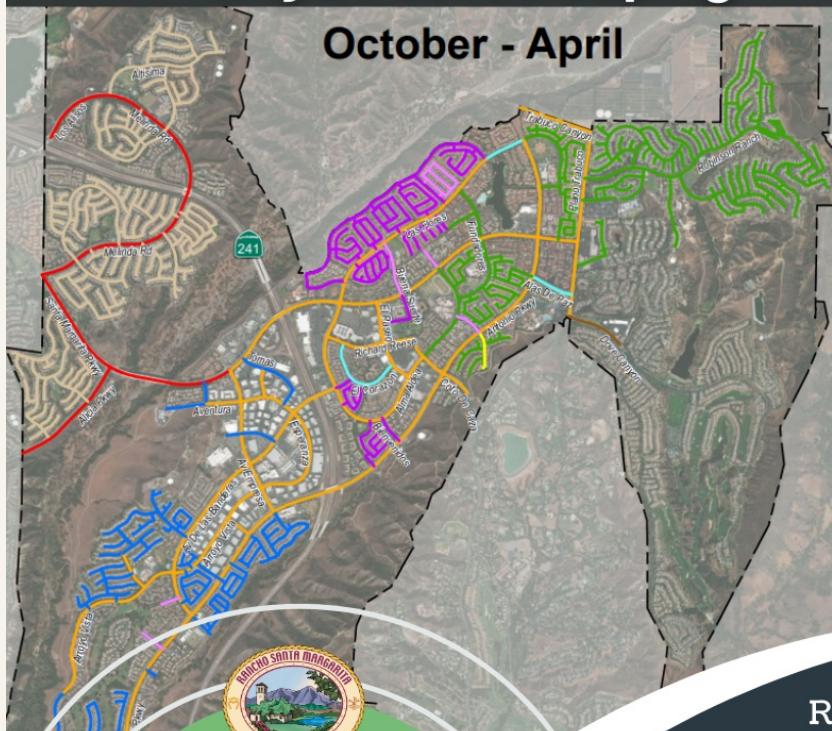

**Please call 949-635-1800, ext. 6703, for more information.**

## **Emergency Management**

### **Alert OC Emergency Notification System**

AlertOC is a mass notification system that keeps Orange County residents and businesses informed of emergencies that may require immediate life-saving actions.

By registering with AlertOC, time-sensitive voice messages from the county or city you live or work in may be sent to your home, cell, or business phone. You can also register to enable text messages on cell phones. AlertOC is also equipped to send alerts to email accounts and TTY devices.

If you have already registered for AlertOC, please log in periodically to see a summary of your information and ensure it's up-to-date. The system uses your selections and information to reach you in the event of an emergency, including evacuation orders.

## **Emergency Management Know your Evacuation Zone**

Wildfires are unpredictable. Strong winds can instantly change a fire's direction and strength, making it impossible for law enforcement to carry out evacuation orders or make door-to-door announcements.

Public safety and City officials will send official evacuation notifications and information during an emergency through AlertOC. Please ensure you and your loved ones are registered to receive critical information via text, email, or telephone.

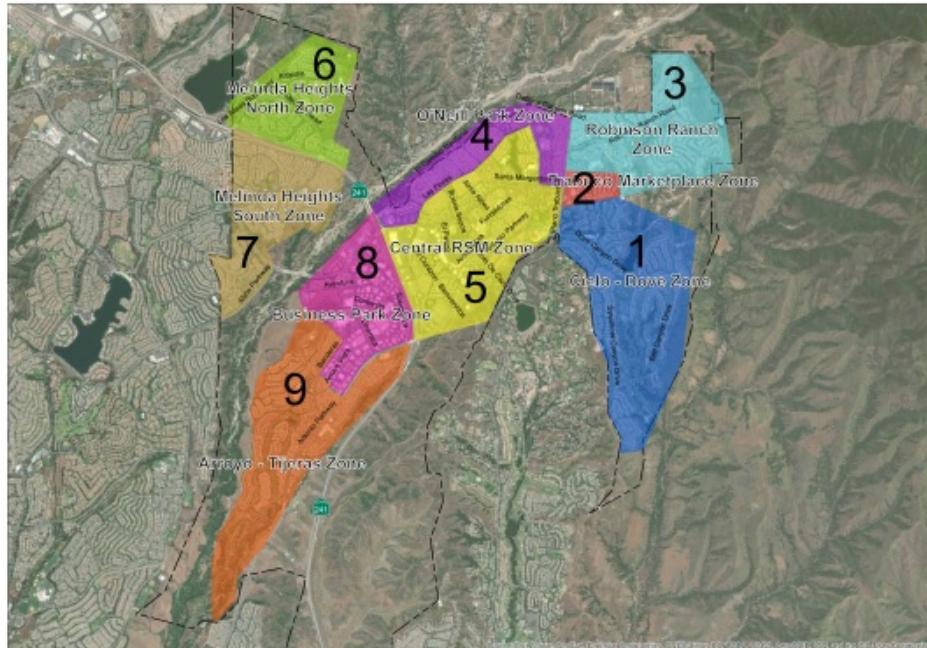

Residents in neighborhoods near high-risk fire areas are encouraged to be ready for wildfires by practicing fire safety.

Ready, Set, Go! gives you the tools to protect yourself, your family, and your property from wildfires. Firefighters train hard to prepare for wildfires—residents must do the same!

## Safe Pool Draining

Are you getting ready to drain your pool or spa? Drain the water into the sanitary sewer to protect our waterways. The sanitary sewer system treats wastewater and is where your showers, sinks, and toilets drain.

Avoid flushing to the storm drain system. The storm drains, located in the streets, allow rainwater to flow directly into waterways. This water is NOT treated. Residents can ONLY flush pool and spa water to the storm drain IF:

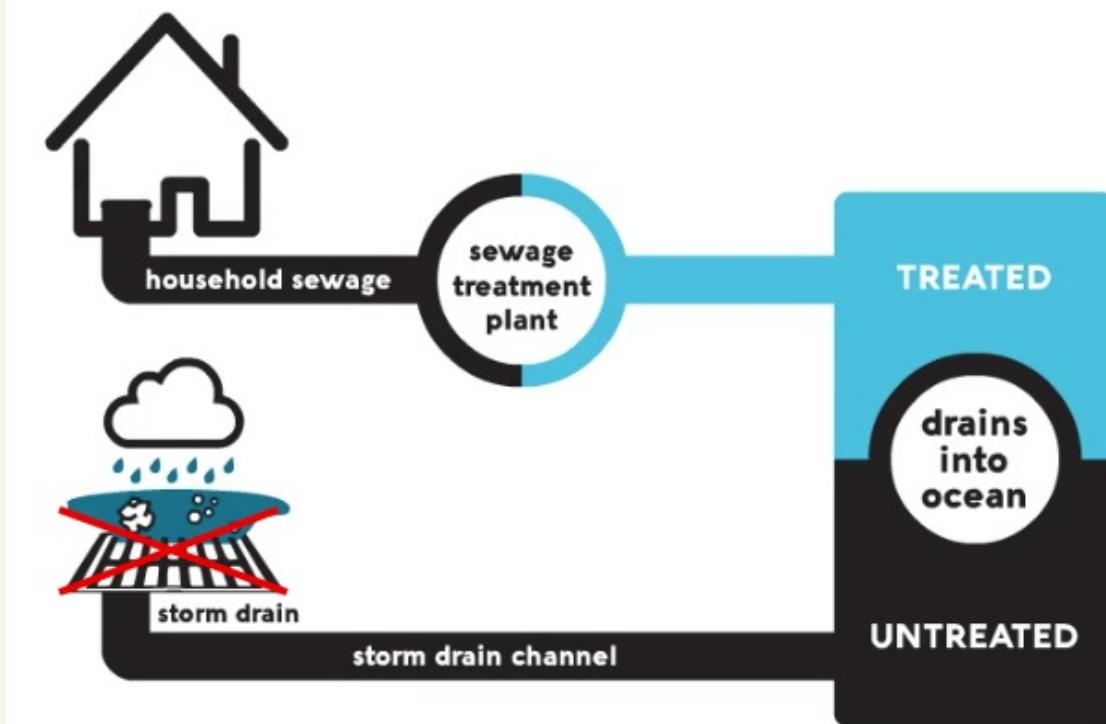

- It is not a saltwater pool.
- Chlorine levels are below 0.1 mg/L.
- The pH level must be between 6.5 and 8.5.
- The water is free of algae, debris, and other chemicals.
- Filter media (diatomaceous earth) or acid cleaning is not being discharged.

Ensure that sand filters, filter cartridges, and diatomaceous earth (DE) filters are washed or backwashed into the sanitary sewer system only – never into the storm drain system.

Thank you for protecting our waterways while draining your pool! Learn more helpful tips [here](#).
