City Manager's Message

As we gather this month to recognize Veterans Day, I invite you to join the City of Rancho Santa Margarita in honoring the brave men and women who have served—and continue to serve—our country with courage and dedication.

Each year, our Veterans Day Recognition brings friends, families, and neighbors together to pay tribute to the heroes in our community. This annual tradition reflects the values that make Rancho Santa Margarita such a special place to call home: gratitude, service, and unity. Together, let's honor the heroes among us and show our heartfelt appreciation for their service to our nation.

Sincerely,
Jennifer Cervantez, PhD

Public Works Recycle From Home™ — Get Paid to Recycle!

Rancho Santa Margarita residents can now recycle cans and bottles without leaving home, thanks to Recycle From Home™—a program inspired by 13-year-old recycling advocate Ryan Hickman.

Here's how it works:

❑ Collection bags and QR code labels are provided to sort your CA CRV aluminum cans, plastic, and glass bottles.

❑ Schedule a pick-up at your convenience. A driver will collect your recyclables right from your driveway or doorstep.

♻️ Items are weighed, and your redemption value is calculated based on current CA CRV rates.

❑ Payment is sent to you via PayPal, Venmo, or mailed check—typically within 24 hours of pickup.

No more trips to redemption centers—just schedule, set your items out, and let Recycle From Home™ do the rest!

For more information or to register, visit www.RecycleFromHome.com or download the Recycle From Home mobile app.

Residential Street Sweeping Now Twice a Month (October–April)

As autumn leaves begin to fall, the City of Rancho Santa Margarita is increasing street sweeping services to address the seasonal buildup of debris. **From October through April, residential streets will be swept twice per month.**

Service maps and annual calendars are available on the City's [website](#) to help residents stay informed about scheduled days.

To ensure effective service, please remove all items from the street—including vehicles, basketball hoops, trash cans, and toys.

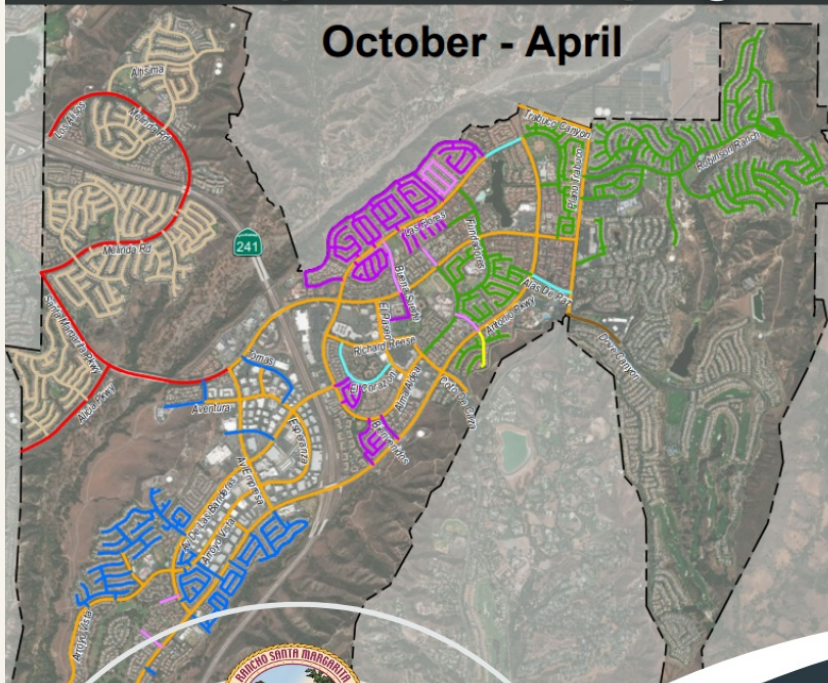

Street sweeping not only keeps our community safe and beautiful but also protects local water quality by preventing contaminants from entering storm drains.

Thank you for doing your part to keep Rancho Santa Margarita clean!

Emergency Management

Alert OC Emergency Notification System

AlertOC is a mass notification system that keeps Orange County residents and businesses informed of emergencies that may require immediate life-saving actions.

By registering with AlertOC, time-sensitive voice messages from the county or city you live or work in may be sent to your home, cell, or business phone. You can also register to enable text messages on cell phones. AlertOC is also equipped to send alerts to email accounts and TTY devices.

If you have already registered for AlertOC, please log in periodically to see a summary of your information and ensure it's up-to-date. The system uses your selections and information to reach you in the event of an emergency, including evacuation orders.

www.AlertOC.org

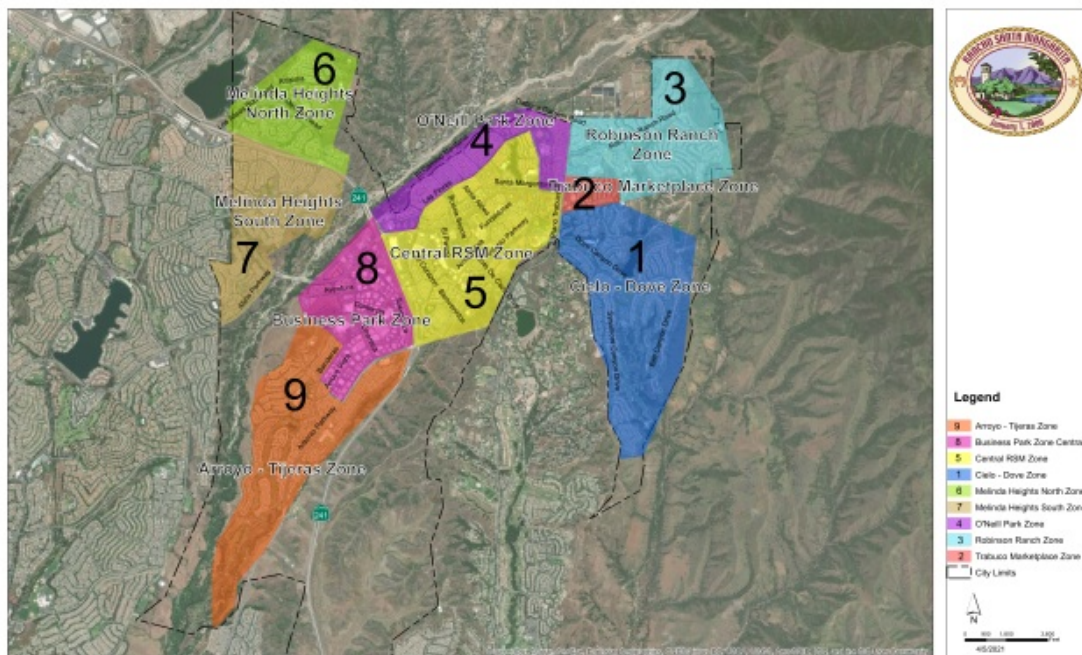

A promotional graphic for Alert OC from the City of Rancho Santa Margarita. It features a red header with 'CITY of RANCHO SANTA MARGARITA' in white. Below is a large smartphone mockup displaying the 'AlertOC STAY INFORMED' logo and a list of message recipients: 'Evacuation Notices', 'Public Safety Emergencies', and 'Disaster Notifications'. To the left of the phone is a yellow bell icon with a '1' inside. To the right, a red speech bubble contains the text 'Sign up to receive:'. Below that, another red speech bubble contains the text 'Text ALERTOC to 888777'. At the bottom, a dark blue bar contains the text 'Learn more at www.alertoc.org' in white.

Emergency Management Know your Evacuation Zone

Wildfires are unpredictable. Strong winds can instantly change a fire's direction and strength, making it impossible for law enforcement to carry out evacuation orders or make door-to-door announcements.

Public safety and City officials will send official evacuation notifications and information during an emergency through AlertOC. Please ensure you and your loved ones are registered to receive critical information via text, email, or telephone.

Residents in neighborhoods near high-risk fire areas are encouraged to be ready for wildfires by practicing fire safety. Ready, Set, Go! gives you the tools to protect yourself, your family, and your property from wildfires. Firefighters train hard to prepare for wildfires—residents must do the same!

For more information on preparing for wildfires, visit the Orange County Fire Authority's Ready, Set, Go! Safety program at ocfa.org.

ZeroTrash meets on the first Saturday of every month in the courtyard across from City Hall and beautifies our community from 10:00 a.m. to Noon. All are welcome to join in and help Pick It Up.

The holidays are a joyous time for gathering with loved ones and sharing meals, but they are also the peak season for home cooking fires. The Orange County Fire Authority shares holiday cooking tips as we head into Thanksgiving.

HOLIDAY COOKING FIRE SAFETY

More cooking fires are reported on Thanksgiving Day than any other day of the year, followed by Christmas and Christmas Eve. Help protect your family and your home by practicing cooking safety this holiday season.

There are more than 3x as many home cooking fires on Thanksgiving Day, a 250% increase over the daily average.

Holiday Cooking Safety Tips

- Stay in the kitchen when frying, grilling, or broiling food. Unattended cooking is the leading cause of home cooking fires.
- Check food often while cooking. If you are entertaining guests, use a kitchen timer to remind you that the stove or oven is on.
- Wear short, fitted, or tightly rolled sleeves when cooking.
- Keep cooking areas clear. Pot holders, paper towels, wooden utensils, and even cookbooks can be fire hazards if left too close to the stove, oven, or other kitchen appliances.
- Clean cooking surfaces regularly to prevent grease buildup.
- Make sure children and pets stay at least three feet from the oven or stove.
- Test your smoke alarms and never disable them while cooking.

What to do if there is a Fire

- If the fire is on the stove, cover the pan with a lid and turn off the stove. Never try to move the pan to the sink and NEVER pour water on a grease fire.
- If the fire is in the oven or microwave, keep the door closed and turn off the appliance.
- A multipurpose ABC fire extinguisher can also be used on a small cooking fire. An extinguisher should only be used if the fire is not spreading, smoke and heat have not filled the area, and you have a clear escape path.

Broadway in RSM!

San Francisco Solano Parish presents *Opera Girl*

Opera Girl is the story of Maria Monteverde, a gifted young singer who discovers her voice carries an ancient and mystical power. Haunted by a past performance that nearly turned deadly, she retreats from music, that is, until a chance encounter draws her back into a battle she was born to fight. As she uncovers her family's secret legacy and the truth about a shadowy society called Harmonia, Maria must embrace who she really is. With only her voice as a weapon, Opera Girl must confront — and even reclaim — her lineage and awaken a world that has forgotten how to listen.

Aimed at Young Adults and General Audiences. Opera Girl combines classical and original contemporary melodies, each piece woven with depth and diversity to captivate all audiences.
